

READY TO RENT

SAFETY AND MAINTENANCE PROGRAM

The Rent Ready Safety and Maintenance Program is a straightforward system designed to ensure your equipment remains safe and well-maintained, thereby providing maximum liability protection and enhancing customer experience.

01 Certification Training

Elevate your team's expertise with our Ready to Rent Academy, providing top-tier certification training for unparalleled proficiency.

www.ReadyToRentAcademy.com

02 Monthly Safety Huddle

Stay sharp and safety-focused with our 15-20 minutes Monthly Safety Huddles, reinforcing vital skills and knowledge from our certification training.

03 Quarterly Audit

Ensure ongoing excellence with our Quarterly Audits, a vital self-assessment tool to maintain and enhance your Ready to Rent program's effectiveness.

04 Tag Scan and Save

Our offsite RTR tag scanning service, ensures your RTR tags are safely scanned and stored for quick & convenient future reference

05 Virtual Assistant and Vault

Experience seamless organization and secure documentation with your dedicated Virtual Assistant and Vault, keeping you informed and your records safe.

06 Annual Report

Receive a comprehensive Annual Report detailing your year's achievements, from certified training to safety meetings and audit results, ready for submission to your insurance provider.
